

University of Washington
CENTER FOR NANOTECHNOLOGY

**NANOTECHNOLOGY Ph.D. DUAL DEGREE PROGRAM
APPLICATION FOR APPROVAL OF
PROPOSED THESIS TOPIC**

(Type or Print Clearly)

Last Name: _____ First Name: _____ MI: _____

Student # _____ Campus BOX # _____

Home Department: _____ Email address: _____

Signature: _____ Date: _____

❖ Completed by Graduate Program Coordinator (GPC) of Home Department ❖

_____ is a student in good standing, with at least a 3.3 GPA, and has fulfilled all requirements to take the Ph.D. Final Exam.

Signed _____

Print Name: _____

Graduate Program Coordinator (GPC)* in

Department of _____ Date _____

***Not research advisor or academic counselor**

WHEN COMPLETE, DELIVER WITH ALL REQUIRED ACCOMPANYING MATERIALS TO
Nanotechnology Ph.D. Education Manager
Box 351721, (206) 616-9760, ethana@u.washington.edu

**NANOTECHNOLOGY Ph.D. DUAL DEGREE PROGRAM
APPLICATION FOR APPROVAL OF
PROPOSED THESIS TOPIC
REQUIRED ACCOMPANYING MATERIALS**

1. Obtain signature of Departmental Graduate Advisor in Home Department to form, verifying fulfillment of all requirements in home department to take the Ph.D. Final Exam, with a GPA of at least 3.3 .
2. Attach a copy of the dissertation abstract and detailed table of contents.
3. A one or two-page statement prepared by the research advisor recommending approval of the thesis topic as appropriate, summarizing the nanotechnology-related dissertation content, and certifying whether all objectives defined in the Ph.D. Candidacy (i.e., General) Exam have been met, or how and why they have been changed.
4. Provide list of Ph.D. Reading Committee members (if different from Supervisory Committee) with their departments, telephone numbers and email addresses, identifying the primary advisor(s) and their departments, as well as the second CNT faculty member on reading committee.
5. Send materials to Nanotechnology Ph.D. Program Manager at Box 351721 in both hard copy and by email.
6. Upon passing the final Ph.D. exam, home department must send copy of signed warrant to Box 351721.

The Nanotechnology Standards Committee reviews all applications for approval on a monthly basis.
